

KS2 SATs outcomes

July 2017

This is a summary of our school's SATs outcomes.

	2016	2017
The percentage of pupils achieving the expected standard in reading, writing and mathematics	57%	68%
Average progress in reading	-2.5	0.0
Average progress in writing	1.4	-2.5
Average progress in mathematics	-1.8	-0.9
Percentage of pupils achieving a high level of attainment in reading, writing and mathematics	3%	5%
Average scaled score in reading	101	106
Average scaled score in mathematics	102	105

In 2017, our Reading results improved significantly and our Maths results also improved. Our Writing results were not as good as last year, so this is our focus for 2017-18.

We are also pleased with Year 6's other achievements in 2017-18, including:

A highly entertaining production of "What a Knight".

Another excellent residential trip to Whitby, where staff were constantly being complimented on the superb behaviour of our children.

Putting on an excellent “Class Museum” to showcase their work on researching their family histories.

Learning new skills in Forest Schools sessions.

Visiting the War Memorial and putting on a very moving assembly to commemorate Remembrance Day.

Getting involved in the national tree-planting campaign as part of our Eco School work.

Representing our school really well at the Rotary Club public speaking competition.

Excellent performances in a number of sports, particularly Cross Country.

...and much, much more.
