

Year 3

April- May 2018

Welcome back! We hope you all had a fantastic Easter break and are raring to go for the summer term. Once again we would like to thank you for your continued support with reading, Conquer maths and spelling at home and would like to ask that this continues. As summer approaches, we would like to ask that you take the necessary sun safety precautions. Sun cream needs to be applied before school and a sun hat provided if needed. Please label water bottles and PE kits.

Science

They have a busy term ahead learning about plants. The children will be setting up investigations and growing plants for our vegetable patch.

P.E

The children will be looking at skills and tactics in team games and orienteering.

ICT

History

Stone Age Britain- Taking inspiration from the story book Stone Age Boy by and a visit from a fictitious Archaeologist. The children will be learning about this period of time.

Literacy

We will begin the half-term by writing myths. Then the children will also be writing a non-chronological report about board games. Each class will be making our regular visit to Bromley Cross Library.

Music 3B will be playing the djembe drums with our specialist music teacher. 3W will be listening to Peter and the Wolf by Benjamin Britten.

French

Miss Thiery will be teaching the names of family members, days of the week and months in French this term.

Geography

Continuing with our work about Bromley Cross the children will be considering positive and negative impacts to their local area. We will look in more depth at the recent housing proposal near the Last Drop Village. The children will meet with Councillor Greenhalgh and have the opportunity to find out more about local reactions and the reasons for this development not going ahead.

Numeracy

We will continue to follow the National curriculum focussing on the four operations. In addition to this we will study money, angles, time, capacity, problem solving and descriptions of turns.

DT/Art

The children will be building and testing their character's vehicles.

Both classes will be looking at Stone Age cave paintings and drawing their own with charcoal.

PSHE and Philosophy for Children

Taking inspiration from the book Windows the children will explore the topic of Change.

R.E.

Mrs Worrell will be teaching the children about baptism and learning about John the Baptist.
