Data Collection Forms

Data Collection Forms have gone home this week for Y4, 5 and 6. Please check them, sign the relevant pages and send it all back to school by Monday 17th September. It is very important that we receive these forms back, whether there are any changes or not, for in the event of an emergency we need all contact details to be up to date.

Changes to the Newsletter

As from today, we will trial fortnightly newsletters until half term and send any important information updates to parents via text message. Due to this it is very important that all e-mail and mobile numbers are kept up to date so you can still receive all information.

Parking reminders

Please note that parking on the gravelled area at the end of the path adjacent to Lord's Stile Lane and opposite Lower House Walk in order to pick children up after school is potentially dangerous for both your own and other children crossing this area. Please park safely and considerately for pedestrians so that we can keep everyone using that area at the end of the day safe.

The double yellow lines on the lane outside school are a 'no waiting at any time' parking restriction. This means **you may 'set down and pick up' your child but you cannot leave your car or wait in your car for your child.** This is to ensure a safe environment for all motorists, residents and pedestrians accessing the lane. Please be aware, wardens do patrol the area and you may be liable for an on-the-spot fine if you breach this restriction.

High School Open Days/ Mornings / Evenings

There are many Open Days occurring at the moment for Y6 pupils and parents to attend. The dates we have are below, but please look at the relevant school websites for confirmation, times and other information.

Agora

There have been a few issues with the online payment system but it should all be up and running now. Agora can be a very helpful tool as you can keep track of payments to school including school dinners and residential trips, all from the convenience of your own home.

Originally there was a fee to make a payment, but there are no longer any transaction fees so we are inviting all parents to create an account. Parents will require a Microsoft e-mail account to set up and an activation code. Many of the activation codes may now have expired if they haven't already been used, in which case, please contact the office for a new one. One of the main reason for not being able to access the system has been a non compatible e-mail address so please check this first.

Clubs

Letters should have gone home with your child today indicating which clubs they are signed up for and which group they are in. A covering letter with all the information will also be coming home.
