

Governors PE Spending Strategy Report 2018-19

School Principles for PE and Sport Premium Grant Spend

At Eagley Junior School, **our five key principles** for developing PE and sport are:

In developing these principles into sustainable goals that enhance capacity, we are guided by the five key indicators for the development of school PE and sport in the [DfE guidance](#).

- The engagement of all pupils in regular physical activity
- The profile of PE and sport being raised across school
- Increased confidence, knowledge and skills of all staff teaching PE and sport
- Broader experience of a range of sports and activities
- Increased participation in competitive sport

The PE Spending Grant for 2018-19 is **£18,350**. The school has a new PE co-ordinator who is leading a whole school drive towards school achieving the School Games Mark accreditation. In addition, school has benefitted from new playground surfaces with which there will be the opportunity to further promote and develop healthy lifestyles.

2017-18 Review

Expenditure by item/project 2017/18

Item/project	Cost	Objective	Outcome
Additional equipment	£2685	Provide access to a wider range of sports	Badminton club Tennis club
Improved outdoor facilities	£9515	Access to adventurous play activity throughout the year	
Staff training	£1023	Provide PE/ leadership training for additional staff	
Supply cover	£1100	To facilitate the above	

Eagley Junior School

Additional swimming	£1750	Widen access to swimming	
Sports taster days	£830	Provide experience of a wider range of physical activity	Fencing taster event
Extra-curricular activities	£1770	Provide experience of a wider range of physical activities, particularly those in the local area.	Girls' football team was created. As a team they competed in 3 tournaments and 2 friendlies.

Impact of expenditure

- Children have been given the chance to take part in a wider range of sports and fitness events including drumming and fencing.
- We have been able to upgrade the fixed equipment in the school yard that is ready to be fitted once the yard has been recovered. This will enable pupils to practice core skills at playtime and dinner times.
- New markings on the playground will encourage children to take part in fitness based activities in their own free time.
- We ran a Girls' Football Club, with 14 girls attending regularly. This enabled us to form our first Girls' football team and participate in competitions. The Girls' were given information regarding local clubs and teams that were advertising for players.

KS2 Swimming Outcomes 2018-19

% of cohort who can swim competently, confidently and proficiently over a distance of at least 25m	93%
% of cohort who can use a range of strokes effectively	88%
% of cohort who can perform safe self-rescue in different water-based situations	93%

Key Priorities 2018-19

- 1. To raise the profile of PE and sport and celebrate healthy lifestyles**
- 2. To increase participation in a wider range of PE and sport**
- 3. To invest in facilities to enhance engagement in a wider range of PE and sport**
- 4. To develop staff expertise in the delivery of high quality PE and sport**

Key Priority 1: To raise the profile of PE and sport and celebrate healthy lifestyles

Proposed actions	Estimated costs	Success Criteria
To deliver staff training in actively promoting and celebrating healthy lifestyles through using new school blogging website.	£900	School blogging website is actively used to promote and celebrate healthy lifestyles
To develop leadership capacity to co-ordinate a whole school approach to raising the profile of PE and sport. (NPQSL)	£1,800	There is a co-ordinated, whole school approach to raising the profile of pupil participation in PE and sport at home and within the community.

Eagley Junior School

Key Priority 2: To increase participation in a wider range of PE and sport		
Actions	Estimated costs	Success Criteria
To increase the number of physically active clubs offered to pupils and the amount of inter and inter school competitions completed e.g. fencing, badminton, judo.	£2000	Monitoring of participation levels demonstrates increasing participation levels leading to more physically active pupils.
To provide additional swimming provision targeted to pupils not able to meet the swimming requirements of the national curriculum	£5500	A greater proportion of KS2 pupils will meet the swimming requirements of the national curriculum.
To achieve the Schools Games Mark	£450	School will be awarded the School Games Mark in recognition of the range and extent of extra-curricular sport participated in by school.
Key Priority 3: To invest in facilities to enhance engagement in a wider range of PE and sport		
Actions	Estimated costs	Success Criteria
To develop alternative playtime activities for pupils – table tennis tables and club	£2,500	Pupils activity levels at playtime are increased and there are opportunities for pupils to develop balance, strength and flexibility
To develop alternative playtime activities for pupils e.g. outdoor play equipment	£3,300	Pupils activity levels at playtime are increased and there are increased opportunities to engage with a range of different sports and activities.
To install a bicycle storage shelter and to actively promote healthy alternatives for children and families when travelling to and from school.	£1,300	Monitoring shows a greater proportion of children and families choosing a healthy alternative when travelling to and from school.
Key Priority 4: To develop staff expertise in the delivery of high quality PE and sport		
Actions	Estimated costs	Success Criteria
To cover for DW to complete the PE Leaders Course	£550	Increased leadership capacity to co-ordinate PE and sport in school
Real PE refresher training for staff	£300	Staff are more familiar with how to organise a practical PE session using the Real PE scheme.
